

Dear Distributor,

At Spectrum Brands Pet, LLC ("Spectrum"), we are committed to you and your customers—the distributors and resellers that help our company provide products trusted to enhance the lives of pets and those who care for them. To protect our proprietary brands and the integrity of our authorized distribution channels, Spectrum is announcing and implementing an Authorized Reseller Program for the branded products listed on Exhibit A attached hereto (hereinafter "Branded Products"), effective September 1st, 2021.

Among other benefits, our Authorized Reseller Program will ensure that all sellers of Branded Products understand and take the steps necessary to ensure product quality and provide the excellent customer service that is integral to the reputation of the Branded Products. In addition, our Authorized Reseller Program will assist us in identifying and taking action against unauthorized sellers that are harming you, your customers, and consumers through the sale of damaged and diverted products. Your obligations under our new Authorized Reseller Program are outlined in the attached Spectrum Authorized Distributor Policy for Branded Products, and the key features are noted below:

Where and to Whom You May Sell Branded Products: Pursuant to the Authorized Distributor Policy, you may sell Branded Products only to customers who are classified either as "Authorized Resellers" or "Business End Users." Sales directly to consumer end users are prohibited without Spectrum's prior written consent. To become and remain Authorized Resellers, your reselling customers will be required to abide by the Spectrum Brands Pet, LLC Authorized Reseller Policy for Branded Products.

Restrictions on Online Sales: The Authorized Distributor Policy prohibits you from selling Branded Products on any publicly accessible website without Spectrum's prior written consent. You may use an online order portal to facilitate orders from Authorized Resellers or Business End Users, so long as that portal requires your customers to obtain an account and log in to view product listings and pricing information. **Please note that our online sales restrictions will be strictly enforced.**

Ensuring Product Quality and Satisfaction: To ensure that the consumers who purchase Branded Products have the best experience possible, the Authorized Distributor Policy outlines our expectations for the service you will provide to your customers. The Authorized Distributor Policy also describes certain steps you must take to maintain the quality of Branded Products until they reach consumers.

Additionally, the Authorized Distributor Policy requires that you forward the Authorized Reseller Policy and any other materials requested by Spectrum to your Authorized Reseller customers. For your convenience, we have attached an "Authorized Reseller Packet," which contains the documents that you are required to forward to your reseller customers at this time. In particular, the Authorized Reseller Packet contains: (1) a letter to your reseller customers describing the Authorized Reseller Policy and the purpose of our Authorized Reseller Program, and (2) the Authorized Reseller Policy. **Please forward a copy of the attached Authorized Reseller Packet to each of your reseller customers as soon as possible.**

Thank you for your careful attention to the enclosed documents and for your continued support of Spectrum and our Branded Products. If you have any questions regarding the Authorized Reseller Program, please contact your Spectrum sales representative.

Sincerely,

Stan Owens

**SPECTRUM BRANDS PET, LLC AUTHORIZED DISTRIBUTOR POLICY
FOR BRANDED PRODUCTS**

Effective Date: September 1, 2021

This Spectrum Brands Pet, LLC Authorized Distributor Policy ("Distributor Policy") is issued by Spectrum Brands Pet, LLC ("Spectrum") and applies to distributors of Branded Products covered in Exhibit A ("Product(s)") in the United States of America. This Distributor Policy supplements any wholesaler or distribution agreement between you and Spectrum currently in effect. By purchasing Products from Spectrum for sale to Business End Users (as defined below) and distribution to Authorized Resellers (as defined below), you ("Distributor," "you" or "your") agree to adhere to the following terms and conditions. Until such status is otherwise revoked by Spectrum in Spectrum's sole and absolute discretion, Distributor shall be considered an "Authorized Distributor." Spectrum may review Distributor's activities for compliance with this Distributor Policy, and Distributor agrees to cooperate with any such investigation, including, but not limited to, permitting inspection of Distributor's facilities and records related to the sale of the Products.

1. **Authorized Customers.** Distributor is only authorized to sell Products purchased from Spectrum to (a) "Authorized Resellers" and (b) "Business End Users" (collectively, "Authorized Customers").

(a) An "Authorized Reseller" is an individual or business entity that:

- (i) purchases Products from an Authorized Distributor and resells the Products as part of a commercial enterprise;
- (ii) offers the Products for sale in brick-and-mortar physical retail locations engaged primarily in the business of selling pet products in the United States of America;
- (iii) otherwise satisfies all requirements and exclusions for Distributor's customers as included in any wholesale or distribution agreement between Spectrum and Distributor and, in any case does not have a direct purchasing relationship for the Products with Spectrum;
- (iv) has received and agrees to adhere to the Spectrum Brands Pet, LLC Authorized Reseller Policy (the "Reseller Policy"); and
- (v) has not had its Authorized Reseller status revoked by Spectrum.

(b) A "Business End User" is any purchaser of the Products for use in the course of its grooming, veterinary, or animal-related business and who does not intend to resell the Product to any third-party. A "Business End User" does not include a purchaser of the Products who uses the Products for personal use.

(c) If any reselling customer or prospective reselling customer of Distributor that seeks to purchase Products for purposes of resale is not yet an Authorized Reseller, Distributor shall immediately provide the Reseller Policy to such customer/prospective customer. If such customer/prospective customer accepts the terms in the Reseller Policy, Distributor may thereafter sell Products to such customer, which customer shall thereafter be an Authorized Reseller unless and until Spectrum revokes such status. Authorized Resellers are determined by Spectrum in its sole discretion.

(d) Distributor shall distribute policies, including but not limited to the Reseller Policy, updates to policies, product information, educational materials, and other information to its Authorized Reseller customers as requested by Spectrum from time to time.

(e) Distributor will promptly notify Spectrum in writing if Distributor becomes aware that any Authorized Reseller that purchases Products from Distributor offers Products for sale or sells Products in violation of the terms of the Reseller Policy.

(f) Distributor shall cease or suspend sales to any customer promptly upon request of Spectrum.

(g) Distributor shall not sell, ship, invoice, or promote the Products outside the United States of America or to anyone Distributor knows or has reason to know intends to ship the Products outside of the United States of America without Spectrum's prior written consent.

(h) Notwithstanding Section 1(a), Distributor shall not sell Products to any entity that operates a third party marketplace website, including, but not limited to, Amazon.com, Groupon.com, or Jet.com.

(i) Distributor shall not sell Products to any person or entity other than an Authorized Reseller or Business End User without the prior written consent of Spectrum.

2. **Online Sales.** Distributor shall not offer for sale or sell the Products on or through any website, online marketplace, mobile application, or other online forum that offers Products for sale and displays Product pricing information in a location that can be viewed by a prospective customer without creating an account and logging in. All third party marketplace website sales, including, but not limited to, Amazon, eBay, or Walmart Marketplace are prohibited without Spectrum's prior written consent. A website operated by Distributor to facilitate orders from Authorized Customers that requires the Authorized Customer to obtain an account and log in to view Product listings and pricing information is not considered a Publicly Accessible Website.

The terms of this Distributor Policy supersede any prior agreement between Spectrum and Distributor regarding the sale of the Products online. Any authorization previously granted to Distributor by Spectrum to sell the Products online other than as authorized herein is hereby revoked.

3. **Sales Practices.** Distributor shall conduct its business in a reasonable and ethical manner at all times and shall not engage in any deceptive, misleading, or unethical practices or advertising at any time. Distributor shall not make any warranties or representations concerning the Products except as expressly authorized by Spectrum. Distributor shall comply with any and all applicable laws, rules, regulations, and policies related to the advertising, sale, and marketing of the Products. Distributor shall represent the Products in a professional manner and refrain from any conduct that is or could be detrimental to the reputation of Spectrum.

4. **Product Care, Customer Service, and Other Quality Controls.**

(a) Distributor shall comply with all instructions provided by Spectrum regarding the storage, handling, shipping, disposal, or other aspect of the Products, including instructions provided on Product labels. Distributor shall store Products in a cool, dry place, away from direct sunlight.

(b) Distributor shall sell Products in their original packaging. Relabeling, repackaging (including the separation of bundled Products or the bundling of Products), and other alterations to Products or their packaging are not permitted. Distributor shall not remove, translate, or modify the contents of any label or literature on or accompanying the Products. Distributor shall not tamper with, deface, or otherwise alter any serial number, UPC code, or other identifying information on Products or their packaging.

- (c) Distributor shall not resell any Product that has been returned opened or repackaged.
- (d) Promptly upon receipt of the Products, Distributor shall inspect the Products and their packaging for damage, defect, evidence of tampering, or other nonconformance (a "Defect"). If any Defect is identified, Distributor must not offer the Product for sale and must promptly report the Defect to Spectrum at 800-432-6986.
- (e) Distributor shall be familiar with the special features of all Products marketed for sale and must obtain sufficient Product knowledge to advise customers on the selection and proper use of the Products, as well as any applicable guarantee or return policy. Distributor must be available to respond to customer questions and concerns both before and after sale of the Products and should endeavor to respond to customer inquiries promptly.
- (f) Distributor shall cooperate with Spectrum with respect to any Product tracking systems that may be implemented from time to time.
- (g) Distributor shall cooperate with Spectrum with respect to any Product recall or other consumer safety information dissemination efforts.
- (h) Distributor shall report to Spectrum any customer complaint or adverse claim regarding the Products of which it becomes aware. Distributor shall assist Spectrum in investigating any such complaints or adverse claims.
- (i) Distributor shall cooperate with Spectrum in the investigation and resolution of any quality or customer service issues related to Distributor's sale of the Products, including disclosing information regarding Product sources, shipment, and handling.

5. **Intellectual Property.** Distributor acknowledges and agrees that Spectrum owns all proprietary rights in and to the Products, name, logos, trademarks, service marks, trade dress, copyrights, patents, and other intellectual property related to the Products (the "Spectrum IP"). Distributor is granted a limited, non-exclusive, non-transferable, revocable license to use the Spectrum IP solely for purposes of marketing and selling the Products as set forth herein. This license will cease upon termination of Distributor's status as an Authorized Distributor. All goodwill arising from Distributor's use of the Spectrum IP shall inure solely to the benefit of Spectrum. Distributor's use of the Spectrum IP shall be in accordance with any guidelines that may be provided by Spectrum from time to time and must be commercially reasonable as to the size, placement, and other manners of use. Spectrum reserves the right to review and approve, in its sole discretion, Distributor's use or intended use of the Spectrum IP at any time, without limitation. Distributor shall not create, register, or use any domain name or any mobile application that contains any Products name or any trademark owned by Spectrum, nor a misspelling or confusingly similar variation of any Products name or any trademark owned by Spectrum. Spectrum reserves the right to review and approve all advertising material containing the Spectrum IP.

6. **Termination.** If Distributor violates this Distributor Policy, Spectrum reserves the right to terminate Distributor's status as an Authorized Distributor with written or electronic notice. Upon termination of a Distributor's status as an Authorized Distributor, Distributor shall immediately cease (i) selling the Products; (ii) acting in any manner that may reasonably give the impression that Distributor is an Authorized Distributor of Spectrum Products or has any affiliation whatsoever with Spectrum; and (iii) using all Spectrum IP.

7. **Modification.** Spectrum reserves the right to update, amend, or modify this Distributor Policy at any time. Unless otherwise provided, such amendments will take effect immediately and Distributor's continued use,

advertising, offering for sale, or sale of the Products, use of the Spectrum IP, or use of any other information or materials provided by Spectrum to Distributor will be deemed Distributor's acceptance of the amendments.

8. **Confidentiality.** This Distributor Policy, and its attachments, if any, constitute confidential, proprietary information of Spectrum and shall not be used for any purpose other than the authorized advertising and sale of the Products nor disclosed to any third party without the prior written consent of Spectrum.
